

PAFFREL calls for legal action against violators of health guidelines

SHAVINI MADHARA

People's Action for Free and Fair Elections (PAFFREL) Executive Director Rohana Hettiarachchi yesterday urged acting Inspector General of Police (IGP) in writing to take legal action against individuals who violate the health guidelines under the provisions of the Quar-

antine and Prevention of Diseases Ordinance.

He pointed out that political parties and candidates do not pay sufficient attention to the Health Guidelines for the General Election gazetted by the Health Ministry and organize election meetings disregarding them. **TO PAGE 02**
